

Joe Purdy, Cinderella & The A Train

Well the underground is crawling.
Waiting on the train.
Cinderellas high heel shoes got ruined by the rain.
We can ride it out.
We can ride in down town.
Well she tapped me on the shoulder.
She said, lets go inside.
Cause ive been looking all day long for someplace good to hide.
We can ride it out.
We can ride in down... Town.
Down town.
Its your party have it your way.
Cause im just hitchin' for a ride.
And theres enough water on this rainy day.
(theres enough water)
Cinderella dont you cry.
Oh, don't you cry.
So don't you cry.
(don't you cry)
Yeah, so if you ever need me.
You know i'll be right here.
Waiting on the A train.
I'll be singing to you dear.
I'll be singing, we can ride it out,
We can ride in down town.
I'll be singing, we can ride it out,
We can ride in down town.
I'll be singing, we can ride it out,
We can ride in down town.
Down town.
(gonna ride the A train)
