

# Joe Purdy, Goldfish

I'm leaving this morning  
I'll call when I can  
I'm going fishing on the Rio Grand  
Tell'em all I love'em  
I don't care what they say  
cuz I'm gonna catch me a goldfish today  
and I'm gonna catch me some quiet today

I went by the circus but the doors were all closed  
and the kids were all screaming wanna see the big show  
and the clown he'd grown tired and his clothes were worm thin  
He said I don't care if I ever see this big top again  
He says I don't mind if I never see the big top again

I went by the church and I saw the white veil  
and I remember the letter that you sent in the mail  
and I wish you the best with your new fancy life  
with your shiny black car and rich man by your side  
with your shiny black car and rich man by your side

I'm leaving this morning  
I'll call when I can  
I'm going fishing on the Rio Grand  
Tell'em all I love'em  
I don't care what they say  
cuz I'm gonna catch me a goldfish today  
I'm gonna catch me a goldfish today

I packed all my things, and it didn't take long  
I remember what you looked like when you were young  
And I wanted to see you, but I knew it was wrong  
So I stayed up all night drinking and singing another song (??)  
So I stayed up all night drinking and singing your songs (??)

I'm leaving this morning  
I'll call when I can  
I'm going fishing on the Rio Grand  
Tell'em all I love'em  
I don't care what they say  
cuz I'm gonna catch me a goldfish today  
I'm gonna catch me a goldfish today  
Yeah, I'm gonna catch me some quiet today
