

# Joe Purdy, Laughing Man

verse 1:

Suzie take that hair down girl  
take that shadow off your eyes  
startin to look like Hollywood  
like someone I don't recognize  
but you don't have to go that route  
cause that ain't what it's all about  
take it from a laughing man  
take it from a laughing man  
we are the animal  
we are the stranger

verse 2:

billy put that gun down boy  
you're too young to play with fire  
your daddy treats it like a toy  
now all he can see is bars  
but you don't have to go down that route  
cause that ain't what its all about  
take it from a laughing man  
take it from a laughing man  
we are the animal  
we are the stranger  
stranger, stranger  
she says hey angel  
there's something you don't wanna show  
but it's okay angel  
cause i already know  
i know, i know  
take it from a laughing man  
take it from a laughing man  
oh a laughing man  
yeah a laughing man  
stranger, stranger, stranger
