

Joe, Soon As I Get Paid

Gotta get that money
Get that money
Gotta get that money
Get that money...

Hmm
You've been working all day
Just to pay your rent
When they give you your check
Its already spent
And the credit collectors are stalking you
Every bill you have is overdue

[1] - I've been working hard as hell for you
To show you things you've never knew
Don't have to do it all by yourself
In just a little while you'll see
That things will turn around

[2] - I'll take your clothes off layway
I'll take you shopping every day
Anything you want girl, it's okay
Girl I'll buy you things you've never dreamed of
As soon as I get paid

Making love in a house in the Spanish Isles
A mi casa a tu casa along the Nile
You're a beautiful girl with expensive dreams
When I get it, you got it, like 1-2-3

[Repeat 1]

[Repeat 2 (cut off by breakdown)]

Won't let you want no more
Once I get on top
Gonna give you all I got
You'll be secure
Never have to worry 'bout no bills no more

[Repeat 2]

[Repeat 2 (W/ ad-libs and vocal variations 2x)]

[Repeat 2 (W/ new last line)]

Gonna buy you Prada, Gucci, Fendi soon as I get paid
