## Joe Strummer & The Mescaleros, Mondo Bongo

There's something there! I was patrolling a Pachinko Nude noodle model parlor in the Nefarious zone Hanging out with insects under ducting The C.I.A was on the phone Well,... such is life!

Latino caribo, mondo bongo The flower looks good in your hair Latino caribo, mondo bongo Nobody said it was fair, oh!

Latino caribo, mondo bongo The flower looks good in your hair Latino caribo, mondo bongo Nobody said it was fair

Latino caribo, mondo bongo The flower looks good in your hair Latino caribo, mondo bongo Nobody said it was fair

For the Zapatistas I'll rob my sisters Of all the curtain and lace

Down at the bauxite mine You get your own uniform Have lunchtimes off Take a monorail to your home

Checkmate, baby God bless us and our home Where ever we roam Now take us home, flaquito

Latino caribo, mondo bongo
The flower looks good in your hair
Latino caribo, mondo bongo
Nobody said it was fair
