

Joe Walsh, Coyote Love

Worse thing that can happen while you're napping
Coyote love
Wake up in a messy, unfamiliar place
Look over at an unfamiliar face
Coyo, Coyote love
Coyote love

Ay ay ay..., Coyote love
Ay ay ay..., Coyote love
Coyote love

Howling at the moon, you sure you've had your fill
Coyote love
All you lose is one a hundred dollar bill
Coyote love
Coyote love

Coyote love

Ay ay ay..., Coyote love

Well this can't really happen, yhis can't be real
Something lying next to me, looks like I feel, oh no
Coyote love

Ay ay ay..., Coyote love
