

# Joe Walsh, Love Letters

Love letters straight from your heart  
Keep us so near, yet apart  
I'm runnin' low in the night  
When I can have all the love you write

I memorize every line  
And I kiss the name that you sign, yes I do  
And darling then I read again right from the start  
Love letters straight from your heart

Love letters straight from your heart  
Keep us so near, yet apart  
I'm runnin' low in the night  
When I can have all the love you write

I memorize every line  
I kiss the name that you sign, oh darling  
And only then I read again right from the start  
Love letters straight from your heart  
Keep 'em coming  
Love letters straight from your heart
