

Joe Walsh, Rivers (Of The Hidden Funk)

There's a master plan, or so they say
I'm a patient man, s'il vous plait
And if what you earn and what you deserve
Isn't worth the price you pay
Save it for a rainy day
I'm a patient man

So you made a wish, on a falling star, that's what you got
Oh-o, and here you are, like it or not
And the truth is everyone else
Shares the same cloudy sky
It's so useless, blaming yourself
Heaven knows you try

And if it takes until the rivers run dry
Till the rivers run dry
If it takes all the rest of my life to see why
I'm going to wait until the rivers run dry
Till the rivers run

Save 'em for a rainy day

And if it takes until the rivers run dry
Till the rivers run dry
If it takes me all the rest of my life to see why
I'm going to wait until the rivers run dry
Till the rivers run dry
Till the rivers run dry
Till the rivers run dry
Rivers run dry
Rivers run dry
