

# Joe Wilson, The New Song

Go quit your job joe, Do what you do  
Go be a writer joe, Work those issues  
Go break some hearts joe, They'll forgive you  
Just do what you do

Write that great song, strong song, the acting nothin wrong song, the blame song, the same song, t

Are you happy?  
Oh are you happy?

Hit the road joe, Do what you do  
Its been awhile joe, they all miss you  
They want those songs joe, fill out those shoes  
Just do what you do
