

# Joe, What Would I Do

I haven't herd from you lately  
We never went past a day with  
out talking  
Now it's like your somewhere else  
Wish I knew what its about  
We used to hang on to each  
others words  
Nobody else existed in our world

'cause you opened up my life  
Showed me paradise  
Now Im giving you this heart until the  
end of time

## CHORUS

Do you hear me when I tell you that  
I love you  
Do you listen when I tell you that I  
need you  
You're all of my life  
Don't leave me without a clue  
Cause I don't know what I'd do  
What would I do  
(o yeah)

In these four walls there's a thousand  
memories  
If I close my eyes I can hear you laughing  
There's nothing we couldn't do  
Was no pretending with you  
Some one once told me fate could  
be unkind  
I always thought that love was on  
our side

But if you decide to leave and get on  
with your life  
I promise you this heart untill the day I die

## (CHORUS)

So maybe this song is my way of  
getting through  
I know there only words  
But there words from me to you

## (CHORUS)
