

# Joerg Vogeltanz, Don't Rely On Religion V2

in the very last hour  
at the end of flesh  
summon all the power  
for a final crash

in the very last hour  
there's no time for prayers  
run upstairs in the tower  
you see jesus? don't care

don't rely on religion  
when the blood runs out  
it's some kind of fiction  
never stop to doubt

no buddha who delivers  
no mahmet fights for you  
even shiva shivers  
in this world of blue

don't rely on religion  
on your final day  
you are your only vision  
there is no god to pray
