

JoEveritt, Every Drink Of Water

appreciate what you partake
beware of all that's fucked and fake
and don't forget this line
I'll do my best not to falter
and I'll try to enjoy every drink of water, yeah
oh, me it seams, I'm living in false dreams
I know, if so, I never wanted to go

to hell, oh well, i'll try to enjoy myself
I guess, this means, I never wanted to be
procrastination, evasion
I don't even know the meaning
but I invented the words
I'll do my best not to falter
and I'll try to enjoy every drink of water

yeah, oh, me it seams, I'm living in false dreams
I know, if so, I never wanted to go
to hell, oh well, i'll try to enjoy myself
I guess, this means, I never wanted to be
never wanted to be

oh, me it seams, I'm living in false dreams
I know, if so, I never wanted to go
to hell, oh well, i'll try to enjoy myself
I guess, this means, I never wanted to be
