

# Joey Albert, Points Of View

Look, it&#039;s happened once again  
It happens every now and then  
Feeling the hurt and hatin&#039; all the men  
Ready to stop it all

That&#039;s when I need a friendly face  
To see me through these lonely days  
Just to put some sunshine in my place  
Don&#039;t take too long, I need you

## REFRAIN 1

Here I am  
I haven&#039;t gone that far away  
And since I am  
The kind of friend you know  
Would stay with you through all the pain  
Never to leave you in the rain  
Ready to listen to what you&#039;ve been through  
Your woes and blues and share each other&#039;s...

## CHORUS

Points of view  
We&#039;ve been there once before  
And kept our points of view  
It doesn&#039;t really matter if they&#039;re never quite the same  
We have the rules in diff&#039;rent ways  
We play the games of diff&#039;rent folks with diff&#039;rent strokes  
And keep our points of view

See, the world seems bright again  
It only darkens now and then  
Most of the time there&#039;s just no telling when  
Look up and see you&#039;ve got
