Joey Batey, The Ride of the Witcher (feat. Perciva

Ride Witcher ride
Withe the wind that moves the trees
Ride Witcher ride
For the Child of Destiny
Ride Witcher ride
Withe the wind that moves the trees
Ride Witcher ride
Bring the storm that stes us free

Sleepless under frozen suns
Treachery and chosen ones
Rise a new, the time has come
To take hold of the skies
Once betrayed, but not again...

Ride Witcher ride
Withe the wind that moves the trees
Ride Witcher ride
For the Child of Destiny
Ride Witcher ride
Withe the wind that moves the trees
Ride Witcher ride
Bring the storm that stes us free
