

Joey Daniels, Kiss-N-Tell

Verse 1

A girl's only conversation
What I'm about to expose
I'll tell ya all the details
If you wanna know
Oh Lord he drives me crazy
When he touches me slow
Everything about him makes me
Wanna curl my toes

Pre

Oh he's something
One of a kind
Yeah and he's all mine

Chorus

Kiss-N-Tell
I can't help it
I gotta let the whole world know, know, know
Kiss-N-Tell
I can't help it
He's just too good whoa, whoa, whoa, whoa

Vers 2

He lights the candles
Put the music on
Tells me I'm beautiful
Sometimes I think I'm dreaming
It's so wonderful
Every time he comes around me
I lose control
There's just something about him
So sensual

Repeat Pre

Chorus

Bridge

Oh yeah he's all the man I need yeah
Oh every part of me is aching

Chorus
