Joey McIntyre, Walkin' My Baby Back Home

Last night I saw you and it wasn't enough It's only been one day and I miss you so much All I can think of is the look in your eyes When you told that you loved me Then you had to say goodbye

[Chorus] Walking my baby back home I wonder what I got to do to get you alone Walking my baby back home Her daddy says I got to have her back before dawn

Remember when I touched you for the very first time I'll never forget the night you made up your mind I was so scared to let you know how I feel Then you opened up to me Now I know it's for real

[chorus]

I wonder if your daddy really knows That you love me so And I'll never let you go I wonder if he's ever gonna see What you mean to me Will he set you free

Remember the first time you fell in love?

[chorus]
