

Joey Ramone, Stop Thinking About It

Stop thinking about it
Stop thinking about it
Stop thinking about it
Stop thinking about it
Dwelling is driving me crazy
Obsessing don't you know where that's at
Yeah, you don't know what you want but you want it

Stop thinking about it
Stop thinking about it
Stop thinking about it
Stop thinking about it

This world is driving you crazy
Baby don't you know where that's at
Yeah, you don't know what you want but you want it

Oh oh oh oh oh you don't know what you want but you want it

Stop thinking about it
Stop thinking about it
Stop thinking about it
Stop thinking about it

Ahh nothing lasts forever
And nothing stays the same
Feeling numb all over
And totally deranged
When you finally make your mind up
I'll be buried in my grave

O yeah o yeah o yeah
Alright

You don't know what you want
You don't know what you need
You don't know what you want but you want it
