

# Joey Tempest, Elsewhere

There's a place that I'd like to reach  
I have tried, and tried, and tried, and tried  
to the secret places that you keep  
I am repeatedly denied  
oh, won't you let me in  
I'm on your side  
do you still love me  
do you honestly care  
cause I am still with you  
but you are elsewhere  
yes you are elsewhere  
There's a voice that I'd like to hear  
words of a poet that I used to know  
now your eyes they keep staring into nowhere  
if I knew what was hurting you so  
oh won't you take me there  
dark places you hide  
do you still love me  
do you honestly care  
cause I am still with you but you are elsewhere  
yes you are elsewhere  
oh won't you let me in  
I'm on your side  
do you still love me  
do you honestly care  
cause I am still with you  
but you are elsewhere  
do you still love me (do you still love me)  
do you honestly care  
cause I am still with you (I am still with you)  
but you are elsewhere  
yes you are elsewhere  
you are elsewhere
