Joey Tempest, Sometimes

sometimes I no longer think I have to leave this town alive sometimes I get over the feeling that Im living underground youre always just in time cause when Im feeling lost a little means a lot when Ive given all Ive got a little means a lot a few small words from you sometimes I close my eyes I dream a sky in this basement sometimes Im living without having to know every answer youre always just in time cause when Im feeling lost a little means a lot when Ive given all Ive got a little means a lot a few small words from you
