

# Joey Tempest, Superhuman

It hurts me to lean on you what can I say  
nothing I know suits me so fine I take the blame  
all I can see right now is that its dark  
and Ive lost your heart  
were still waiting for the one  
were still falling for a superhuman  
keeps our hearts from moving on  
were still dreaming of a superhuman now  
shallow beliefs I know tell me Im wrong  
are you happy now as I know that you are strong  
Im sorry bout something but I dont seem to know  
how to let you go  
were still waiting for the one  
were still falling for a superhuman  
keeps our hearts from moving on  
were still dreaming of a superhuman now  
you better believe in something before you go
