

Joey Tempest, Superhuman

It hurts me to lean on you what can I say
nothing I know suits me so fine I take the blame
all I can see right now is that its dark
and Ive lost your heart
were still waiting for the one
were still falling for a superhuman
keeps our hearts from moving on
were still dreaming of a superhuman now
shallow beliefs I know tell me Im wrong
are you happy now as I know that you are strong
Im sorry bout something but I dont seem to know
how to let you go
were still waiting for the one
were still falling for a superhuman
keeps our hearts from moving on
were still dreaming of a superhuman now
you better believe in something before you go
