

Johan Becker, Learning To Live

I didn't know which way to go
I had the world but I lost it all
Broken hearted and alone
Waiting for som to call

I never thought the sun would shine again
But I made it because of you

I'm learning to live
I'm ready to give myself something to believe in
I'm, learning to fly
I'm ready to find a way back
Now I'm learning to live again

Like a shelter from the storm
Through the night to the break of dawn
You we're there by my side
My friend standing by

I never thought the sun would shine again
But I made it because of you

I'm learning to live
I'm ready to give myself something to believe in
I'm learning to fly
I'm ready to find a way back
Now I'm learning to live again
Spread my wings
Again

I'm learning to live'.
