

# John Butler Trio, Daniella

You light me up little girl, like the 4th of July  
I love you more than every single star man in the sky  
You are the best damn thing that ever happened to me  
Want to take you home start making family  
You are a damn fine lady like no other  
Want to introduce you to my father and my mother  
I'm so damn happy you want to be my lover  
Can't wait to get you home and get you under the covers

Daniella be my cinderella  
Won't you come around and be my baby  
Daniella, don't you remember won't you come  
Daniella  
Daniella  
Daniella

I remember the day I asked  
Your parents for your hand  
Nearly knocked them off their feet  
They could not hardly stand  
The same day I asked you be my wife to be  
I said m-m-m-m-m-m-m marry me  
I said I promise to love you and treat you right  
Give you the proper respect you deserve  
Every day and night  
Give you good good lovin' 'til the morning light  
And I promise we will never, ever  
Ever fight, yeah right yeah
