

# John Cafferty, On The Dark Side

The dark side's callin' now, nothin' is real  
She'll never know just how I feel  
From out of the shadows she walks like a dream  
Makes me feel crazy, makes me feel so mean

Ain't nothin' gonna save you from a love that's blind  
When you slip to the dark side you cross that line  
On the dark side, oh yeah  
On the dark side, oh yeah
