

# John Cale, Darling I Need You

Woke up early this morning  
Something wrong inside my head  
Took a look around for breakfast  
First thing I see is you're not there  
So where were you, where were you?  
Where were you, when I needed you?  
Where were you, where were you?  
When I needed you to see me through?  
Oh something wrong, now what's gone wrong here  
Looked in the mirror, broken white  
Lucky to be alive and kicking  
Kicking a lot of life around here  
But where were you, where were you?  
Yeah, where were you when I needed you?  
Where were you, where were you?  
When I needed you to see me through?  
Ah, 'cause darling darling I need you  
Yeah, darling darling I do  
Darling darling I need you  
Yes you know I do  
Shefton brought me the message  
Said you got out at Galveston  
Church of Christ Jesus, Kentucky  
Rattlesnakes and strychnine and prayer  
So, where were you, where were you?  
Yeah, where were you when I needed you?  
Where were you, where were you?  
When I needed you to see me through  
Oh darling darling I need you  
'Cause darling darling I do  
Oh, darling darling I need you  
Yes you know I do  
Oh, yeah yeah yeah you know I do
