John Cale, I Keep A Close Watch

Never win and never lose There's nothing much to choose Between the right and wrong Nothing lost and nothing gained Still things aren't quite the same Between you and me I keep a close watch on this heart of mine I keep a close watch on this heart of mine I still hear your voice at night When I turn out the light And try to settle down But there's nothing much I can do Because I can't live without you Any way at all I keep a close watch on this heart of mine I keep a close watch on this heart of mine
