

John Cena, Freestyle @ Survivor Series 2003

This whole ppv is ass backwards ,the main event is on first
I come through the curtains like a fetus, the rest of them are just afterbirth
Nathan Jones, Matt Morgan, they dont even stand a chance.
I guess uh Shane and Kane gonna have to make some room in that ambulance
And A-train, Brock, they need to talk to the gravedigger
I'm burying both of those giants, they need to make that grave bigger!
John Cena survive alone, I dun need no frickin' stable!
I wonder if I can trade in my four partners for a one night stand with Sable?
Oh oh oh oh oh oh !
Oh and Big Show, don't think that I forgot about you homey!
He's a giant! Well I'm a giant whistle, so go ahead and blow me
