

John D. Loudermilk, Big Daddy

Who's that sneaking down the fire escape
Who's that peeking through the garden gate
Who's on the loose but cannot be found Big Daddy's Alabamy bound
Big Daddy's Alabamy bound Big Daddy's Alabamy bound
Police is hauntin' but he can't be found Big Daddy's Alabamy bound
[bass]
Well somebody ran off with the major's wife
Somebody tried to take the police chief's life
Somebody stalled the judge's ragged old gown Big Daddy's Alabamy bound
Cause Big Daddy's Alabamy bound...
[drums]
Well highway patrol and the FBI is out a huntin' this criminal
They got their hound dogs sniffin' the ground Big Daddy's Alabamy bound
Cause Big Daddy's Alabamy bound...
Big Daddy's Alabamy bound Big Daddy's Alabamy bound
