## John Dahlb, Everywhere

Daylight - beating moonlight kindness - always better than - envy peaceful - are you really sleepless - we don't have to be - troubled Changes - are you ready happy - don't you wanna be - lucky struggling - with the basics waiting - for a better day - to come our way everywhere in the world, people will be singing and everywhere in the world, things will be a-changing and everywhere in the world, people will be spreading laughter, kindness, love and comfort, comfo
