

John de Sohn, Enough - feat. Tribbs, Raaban

You're not giving me enough

Wake me up at sunrise,
'cause I'm giving up on you and I
It's hard enough if you're not giving me enough
You're not giving me enough
Wake me up at sunrise,
'cause I'm giving up on you and I
It's hard enough if you're not giving me enough
You're not giving me enough
