

# John Denver, I

This song was first released on the Dreamland Express album. It is the only album it has been released on.

Another day is over and I'm on my way home  
Knowing you'll be waiting is all I need to know

'Cause I'm in the mood to be desired  
Wrap your arms around me  
I'm in the mood  
Let's build a fire  
Till the embers retire, we'll be  
Lost, in a world of ecstasy

Forget about my troubles  
Forget about my woes  
You're the one who comforts me  
Whenever I feel low

'Cause I'm in the mood to be desired  
Wrap your arms around me  
I'm in the mood  
Let's build a fire  
Till the embers retire, we'll be  
Lost, in a world of ecstasy

You're everything I could imagine  
Fillin' me up with such passion  
Eternity is not long enough for you and me

'Cause I'm in the mood to be desired  
Wrap your arms around me  
I'm in the mood  
Let's build a fire  
Till the embers retire, we'll be  
Lost, in a world of ecstasy
