

# John Denver, Mother Nature

This song appears on two albums, and was first released on the Rocky Mountain High album, and

Born a poor young country boy  
Mother Nature's Son  
All day long I'm sitting singing songs for everyone

Sit beside a mountain stream  
See her waters rise  
Listen to the sound of pretty music as she flies

Find me in my field of grass  
Mother nature's son  
Swaying Daisies sing a lazy song beneath the sun

Words and music by John Lennon and Paul McCartney
