When you ask how Ive been here without you
I like to say Ive been fine and I do
But we both know the truth is hard to come by
And if I told the truth, thats not quite true

Some days are diamonds, some days are stone
Some time the hard times wont leave me alone
Some times the cold winds blow a chill in my bones
Some days are diamonds, some days are stone

Now the face that I see in my mirror
More and more is a stranger to me
More and more I can see theres a danger
In becoming what I never thought Id be

Some days are diamonds, some days are stone
Some time the hard times wont leave me alone
Some times the cold winds blow a chill in my bones
Some days are diamonds, some days are stone
