

John Denver, When Will I Be Loved

I've been cheated
Been mistreated
When will I be loved

I've been pushed down
I've been turned down
When will I be loved

When I find a new girl
That I want for mine
She always breaks my heart into
It happens every time
Every time
Every time

I've been lied to
I've been made blue
When will I be loved

When I find a new girl
That I want for mine
She always breaks my heart into
It happens every time
Every time
Every time

I've been cheated
Been mistreated
When will I be loved
When will I be loved
Just one more time
When will I be loved
Oh, let me hear it again
When will I be loved
