

John Elefante, Eyes Of My Heart

What must I do to make you love me
What must I do to show I care
I sacrificed hoping you'd understand

What must I do to prove that I will be there
How many heartaches will it take
Until you realize my love for you
Until you know that you can...

(Chorus)
Lay your cares on me
I am that shoulder you can lean on
I'll be your shelter from the storm

Break away the chains that bind you
Let the Truth of my love find you
Just look into the eyes of my heart and see...

And when you need someone to comfort you in sadness
Just reach out your hand and I'll be there
I'm with you everywhere, you're never too far
I'll let you know that you can...

(Repeat Chorus)

Break away the chains that bind you
Let the Truth of my love find you
Just look into the eyes of my heart and see...

(Repeat Chorus)

Break away the chains that bind you
Let the Truth of my love find you
I will bring you to that quiet place
You can rest upon the shore
Just look into the eyes of my heart and see...
