

John Entwistle, Don't Be A Sucker

Better smarten up boy, Big city games are not your style
Better watch your mouth son, Cause you can even lose your smile

Chorus:

Eiffel Tower Brooklyn Bridge
You get poor and they get rich

Don't be a sucker

Don't be a sucker

Taken off a mouthful, Are you biting more then you can chew

Swim in deep water, Is the current gonna swallow you

Repeat Chorus:

Eiffel Tower Brooklyn Bridge
You get poor and they get rich

Don't be a sucker

Don't be a sucker

Walking down the alley, Seeing things you shouldn't see

Something deep inside you, Says this isn't where you ought to be

Eiffel Tower Brooklyn Bridge

You get poor and they get rich

Don't be a sucker Don't be a sucker

Don't be a sucker Don't be a sucker

Don't be a sucker Don't be a sucker

Don't be a sucker Don't be a sucker
