

# John Entwistle, I Believe In Everything

Have you ever had the feeling that you've been this place before  
But you haven't, not in this life  
You've seen it, you've done it, you've heard it all before  
But you haven't, not in this life.

Do you believe in Santa Claus and loving at first sight  
I hope you do, cause I do  
Do you believe in ghosts that rattle chains at dead of night  
I hope you do, cause I do.

Cause I believe in everything  
Cause that's the simplest way for me to be  
I believe in everything  
To believe in everything you hear and see.

Cause I believe in everything  
Cause that's the simplest way for me to be  
I believe in everything  
To believe in everything you hear and see.

Have you ever had the feeling that you've been this place before  
But you haven't, not in this life  
You've seen it, you've done it, you've heard it all before  
But you haven't, not in this life.

Do you believe in witchcraft, Heaven and Hell, King Kong  
Reincarnation, fairies at the bottom of the garden  
Snow White and the Seven Dwarfs, goblins, ghouls and witches  
Things that go bump in the night  
Telepathy, eternal youth, Mickey Mouse, Father Christmas.

Rudolph the red-nosed reindeer  
Had a very shiny nose  
And if you ever saw it you would even say it glows  
All of the other reindeer used to laugh and call him names...
