

John Entwistle, Shakin' All Over

When you move in right up close to me
That's when I get the shakes all over me

Quivers down my backbone
I got the shakes in the knee bones
Shivers down my thigh bones
Like I'm
Shakin' all over

That's what happens when you say goodnight to me
Bring this feeling all inside of me

Quivers down my backbone
I got the shakes in the knee bones
Shivers in the thigh bones
Like I'm
Shakin' all over
