John Entwistle, Shakin' All Over

When you move in right up close to me That's when I get the shakes all over me

Quivers down my backbone I got the shakes in the knee bones Shivers down my thigh bones Like I'm Shakin' all over

That's what happens when you say goodnight to me Bring this feeling all inside of me

Quivers down my backbone I got the shakes in the knee bones Shivers in the thigh bones Like I'm Shakin' all over
