

# John Entwistle, Young Man Blues

Oh well a young man ain't got nothin' in the world these days  
I said a young man ain't got nothin' in the world these days

You know in the old days  
When a young man was a strong man  
All the people they'd step back  
When a young man walked by

But you know nowadays  
It's the old man,  
He's got all the money  
And a young man ain't got nothin' in the world these days  
I said nothing

Everybody knows that a young man ain't got nothin'  
Everybody!  
Everybody knows that a young man ain't got nothin'  
He got nothin'  
Nothin'

Take it easy on the young man  
They ain't got nothin' in the world these days  
I said they ain't got nothin'!  
They got sweet fuck-all!
