

# John Farnham, Hard Promises To Keep

K Rhodes

I'm tryin' to believe in forever  
And I'm tryin' to believe in  
The little jewel box life we lead  
Babe I get so close sometimes  
All I really know is I believe  
That we've been makin' hard promises to keep

You want me to believe in forever  
Do you know how tight I'm holding  
Just to keep my grip on yesterday  
But I'm trying hard to see the pretty pictures  
That you paint for me  
You know how tight I'm holding  
To hard promises to keep

Promises are like little diamonds  
Promises are like little hearts you meant to give away  
I thought you'd want them back someday  
I kept them for you anyway  
But I know when I've been given  
Hard promises to keep
