## John Farnham, Help

When I was younger, so much younger than today I never needed anybody's help in any way But now these days are gone, I'm not so self-assured Now I find I've changed my mind I've opened up the doors

Help me if you can I'm feeling down And I do appreciate you being 'round Help me get my feet back on the ground Won't you please, please help me

And now my life has changed, in oh so many ways My independence seems to vanish in the haze But every now and then I feel so insecure And I know that I just need you Like I've never done before

Help me if you can I'm feeling down And I do appreciate you being 'round Oh, help me get my feet back on the ground Won't you please, please help me
