

John Farnham, In Days To Come

I heard him sing when I was young
Imagine if you can
Imagine if the world was one
A brotherhood of man
I have a dream I heard him say
A dream in black and white
I have a dream
(That all men are created equal)
A dream of civil right

CHORUS:

In days to come
We'll see the sun as more than just a star
In days to come we'll be as one
No matter where we are
I saw the words written on a wall
For the times, they are a changin'
And then he told me the answer
For the answer is blowing in the wind
I saw a picture in the sky tonight
Men walking on the moon
They didn't know if it was wrong or right
It happened all too soon

(CHORUS)

I heard him sing when I was young
Imagine if you can
Imagine all the people
A brotherhood of man

(CHORUS x2)

In days to come
In days to come
We'll see the sun
In days to come
In days to come
We'll see the sun as more than just a star
In days to come
We'll be as one
No matter where we are
In days to come
