

John Farnham, It All Comes Back To You

Darrell Brown, David Batteau, John Farnham, and Ross Fraser

Who's to say that you don't have
The answers
Who's to say that you do
They say what goes around
Comes around
I believe that it's true
The tears will pass away
And you'll see the day

It's alright, whatever you do
It's alright, it's coming back to you
It's alright, it's all true
It's alright, it's coming back to you

You don't want me to see you this way
At the end of your rope
Passion caught between
Beauty and ashes
It's got you hanging on hope
The nights will turn around
Someday you'll be found

It's alright, whatever you do
It's alright, it's coming back to you
It's alright, it's all true
It's alright, it's coming back to you

The nights will turn around
Someday you'll be found

It's alright, whatever you do
It's alright, it's coming back to you
It's alright, it's all true
It's alright, it's coming back to you
