

John Farnham, Playing To Win

Album: Full House (1991)

If you want me, Come and get me,
You don't have a chance if you don't move now.
I'm not waiting, Any longer,
Know that I'm playing to win this time.

When you make your move,
I won't hesitate.
If you take too long,
You can be too late.
This time I'm playing to win.

If you want me, come and see me,
Don't wait around for another chance.
Make your mind up, make your play,
You should be playing to win this time.

When you make your move,
I won't hesitate.
You can take too long,
You can be too late.
This time I'm playing to win.

All those wasted years,
Didn't know, I was only a motion away.
I got what I wanted for me,
I didn't see it was not going to be there.
I was a fool.

This time I'm playing to win.

If you want me, Come and get me,
You don't have a chance if you don't move now.
I'm not waiting, Any longer,
Know that I'm playing to win this time.

When you make your move,
I won't hesitate.
If you take too long,
You can be too late.
This time I'm playing to win.

When you make your move,
I won't hesitate.
If you take too long,
You can be too late.
This time I'm playing to win.

This time I'm playing to win
(You know that I've made up my mind)
This time I'm playing to win
(wohoaaahhhh)
This time I'm playing to win.
