

John Farnham, The Last Time

Well I told you once and I told you twice
But you never listened to my advice
You don't try very hard to please me
And with what you know it should be easy

(Chorus)
Well this could be the last time
This could be the last time
Maybe the last time - I don't know - oh no, oh no

Well I'm sorry girl but I can't stay
When I'm feeling like I do today
Well there's too much pain and too much sorrow
And you know I'll feel the same tomorrow

(chorus)
Well I told you once and I told you twice
Somebody gonna have to pay the price
Now here's a chance to change your mind
'Cause I'm gonna be gone a long long time
