

# John Fogerty, Blue Moon Nights

Help me fellas  
I'm feelin' kind-a weak  
The way I'm livin' just ain't right  
I need somebody t' watch over me  
All my blue moon nights

I want a girl to take me by the hand  
Follow me right down the line  
Hold me gently while we dance  
All my blue moon nights

Heaven only knows I don't want to be  
Just a fool, passin' through  
Won't you send me an angel to walk with me  
All my blue moon nights

Help me fellas  
It's gettin' kind-a late  
Runnin' out of precious time  
She might pass me while I waste  
All my blue moon nights

Heaven only knows I don't want to be  
Just a fool, passin' through  
Won't you send me an angel to walk with me  
All my blue moon nights
