

John Fogerty, I Will Walk With You

I will walk with you
Every step of the way
Love you all my life
Love you everyday
No matter where you wander
No matter what you do
Come what may I will walk with you

I will walk with you
And treasure every smile
No matter what the fashion
You'll always be my style
My pretty little princess
An angel dressed in blue
Come what may I will walk with you

I will walk with you
Even when the sun don't shine
The rain it may come down
And Fate may be unkind
If you get a scrape
I'll brush away the tears
Come what may I will walk with you

I will walk with you
Together we will share
Jelly beans and pink ice-cream
A Christmas teddy bear
And one day I am for certain a
Brand new puppy too
Come what may I will walk with you

I will walk with you
And love you for all time
Travel this ol' world
Your little hand in mine
I'll never be far from you
This I promise you
Come what may I will walk with you
Come what may I will walk with you
