

John Fogerty, Knockin' On Your Door

Oh babe I wonder, just how we ever,
Got so far apart;
And it seems like just the other day we were happy,
Holdin' hands in the dark.
Here I'm standin' out in the rain,
With a heart full of pain.

[Chorus:]

Baby here I am, knockin' on your door.
Baby here I am, knockin' on your door.

Ooh! Oh girl I'm beggin', hear what I'm sayin',
Don't send me away.
Just what I'm feelin', I got to tell ya,
Don't say it's too late.
I'm walking up and down the street,
Just tryin' to get my nerve up.

[Chorus]

Ooh, Lord!
Ooh baby, babe, I want ya, want you,
Gotta keep you for all time.
And I think I'm goin' crazy over you,
'Cause I got to have you, got to have you,

[Chorus]

Pow! Just think it over, whoa babe, I know you
Will see what I mean.
Try to remember, when we're together,
How good life can be.
I'm walkin' up and down the street,
Just tryin' to get my nerve up.

[Chorus]

Here I am, here I am knockin' on your door.
Here I am, here I am knockin' on your door.
Justa justa knockin', justa justa knockin' on your door.
Justa justa justa knockin', babe.
Justa justa justa justa justa knockin', babe
