John Fogerty, Sugar-Sugar (In My Life)

Everybody want it
Everybody need it
Everybody got to have it
Everybody knows
I'm lookin' for some

[Chorus:]
Sugar-Sugar
Sugar-Sugar
Sugar-Sugar
In my life

When the day is over
And the work is done
That's when I got to find my baby
She's the only on
Lookin' for some

[Chorus]

Mama always told me
Now don't you be no fool
Take some time to share your lovin'
That's the golden rule
Got to have some

[Chorus]
